

European Association of former Members of Parliaments of the Member States of the Council of Europe or the European Union

Malta, 23rd May 2017.

Mrs Elizabeth Peacock
President of the Association
of the Former Members of Parliament
House of Commons – room G13
1 Parliament Street
SW1A 2NE LONDON

Dear Lady,

Dear Mr Bowen Wells,
Dear Mr Robert Banks,
Dear Friends,

Horrible atrocities appear to becoming a norm. To plan a bomb at an entertaining place for youths is something horrendous and deplorable. Words alone cannot express the hurts and anger that one feels. Young precious human lives to be taken away in such a horrible way, merits the condemnation of one and all.

We, Former Members of the European Parliaments, want to show our solidarity with you and condemn these atrocities without any reservations.

We stand by you in this hour of sorrow and need. May the victims' families, friends and the British people continue to have faith in their democracy and way of life.

Most respectfully,

Lino Debono
President
